

6. Tanya used a stem-and-leaf diagram to record the prices of two makes of mobile phone on display in a supermarket.  
Tanya's stem-and-leaf diagram is shown below.

NewKey		eLime
1	5	0 2
	4	2 3
8 7	3	1 1 6 8
3 3	2	3
8 6 2 1	1	5

Key:            NewKey 1 | 5            means £51  
                   eLime     1 | 5            means £15

- (a) Tanya has forgotten to record a £45 NewKey phone and a £25 eLime phone.  
Complete the stem-and-leaf diagram above by entering this extra data for Tanya.
