Teacher:

- (c) The currency in Hong Kong is dollars, (\$).
Mr. Roberts changes £400 into dollars.
He returns from Hong Kong with \$1500.
The bank gives the exchange rates shown below.

Going on holiday	\$15 = £1
Back from holiday	\$17 = £1

- (i) How much of the £400 did Mr Roberts spend when in Hong Kong?
Give your answer in **dollars**.
